

September 2024

To Our Valued Clients and Community Contacts,

We hope this message finds you well. We are writing to inform you that, after careful consideration, the Center for Problem Gambling will be closing its doors by the end of the year.

As part of this transition, we will no longer be accepting new clients or conducting additional intakes effective immediately. However, our team is fully committed to supporting our current clients during this period of change. We are working diligently to help you find alternative treatment options that will best meet your needs.

Over the next few weeks, your provider will be in touch with you to discuss potential referrals to other treatment centers or services in the area. Our goal is to ensure a smooth transition for your ongoing care and to provide you with the necessary resources and support.

We want to thank you for trusting us with your care, and we deeply appreciate the opportunity to have been part of your journey. We are committed to making this transition as seamless as possible and will do everything we can to support you in the process.

Sincerely,

Center for Problem Gambling
